

# **I Bring You Worship**

© 2002 Wayne Carroll (BMI)

## ***Verse #1***

What can I offer you, what can I sacrifice  
what sort of precious gift, what kind of awesome price  
what gift is great enough as thanks for all you've done  
how can I show my love to thank you for your Son

## ***Refrain #1***

I bring you worship, this is my offering  
I bring you worship, it is the gift I bring  
what price is high enough to thank you for your love  
I bring you worship and lift it high above

## ***Verse #2***

How can we ever know, how can we ever say  
how with a simple gift, how can the debt be paid  
what mercy is bestowed on those who humbly bring  
with grateful hearts we show our simple offering

## ***Refrain #2***

We bring you worship, this is our offering  
we bring our lives to you, it is the gift we bring  
what price is high enough to thank you for your love  
we bring you worship and lift it high above (high above)

## ***Repeat refrain #2***

## ***Coda***

What price is high enough to thank you for your love  
we bring you worship and lift it high above  
you gave it all to me, your gift called Calvary  
here is my gift to you, I bring you worship
