

# **If I Had Only One Day**

© 2005 Wayne Carroll (BMI)

## ***Verse 1***

If I had only one day, Lord  
to see how much you care  
only one answer to prayer  
then I would have all I needed, Lord  
to last me for all time  
so much more than I ever deserved

## ***Refrain #1***

Just one day in your presence, dear Lord  
turns every frown to a smile  
just one blessing you place in my hand  
makes all my living so worthwhile  
If I had only one day, Lord  
to see how much you care  
it would last a whole lifetime for me

## ***Verse 2***

If I had only one chance, Lord  
to show my gratitude  
for all that you've given to me  
I would fall on my knees, Lord  
and then start to pray  
these are the words I would say

## ***Refrain #2***

Just one day in your presence, dear Lord  
turned every frown to a smile  
just one blessing you placed in my hands  
made all my living worthwhile  
If I had only one chance, Lord  
to show my gratitude  
it would take a whole lifetime for me  
it might even just take eternity
