

JJ's Lookin' For Jesus

© 2010 Wayne Carroll (BMI), Simeon Amburgey (BMI)

verse 1

One day JJ's mom picked up a Bible
he watched as she began to read
she stopped for a minute and asked little JJ
and said "son, what do you need?"
JJ looked at his mom and then looked at a Bible
he said "I want me one"
and to make sure he could get in on all the excitement
she went out and ordered one for her son

chorus

Now JJ's at the mailbox lookin' for Jesus
who knows He might be coming today
we all need to be like JJ, watchin' and waitin'
for the good news the Lord sends us every day
It says in the Word a little child will lead them
I can tell you that it sure is true
so let's keep a watchin' and a waitin' for Jesus
because Jesus is a waitin' for you

verse 2

Everybody we know needs to hear about Jesus
little JJ can tell them now
the answer's right there in your own little mailbox
just a minute and I will show you how
the Lord comes around each and every day
with a new love letter for you
so open up the mailbox that's inside your heart
and like JJ you'll be dancin' too
