

Just Waiting For My Prayer To Be Answered

© 2003 Wayne Carroll (BMI)

Verse 1

Now if you see me when I have a problem
and if it seems that I act like I don't have a problem today
it's because I know one who has a solution
and pretty soon I'll receive the answer He's sending my way

Chorus 1

So I'm just waiting for my prayer to be answered
not gonna worry, His answers come right on time
so I'm just waiting for my special delivery
I'm just waiting for my prayer to be answered by my Lord

Verse 2

Now if you're like me, and you've got a problem
you might just feel like you're stuck, and you don't have an answer today
just send a prayer to the Lord up in heaven
and pretty soon you'll receive the answer He's sendin' your way

Repeat chorus 1
