Chorus

If we pray (pray, pray), our prayers will get through
If we stay (stay, stay), the answers will come too
If we wait (wait, wait), the Lord will show up and do
mighty miracles when we pray

Verse 1

When we're down on our knees just talking to the Lord
He hears our every prayer before we get off the floor
God wants us to pray just believing what He says
the answer's on the way when we pray

Repeat chorus

Verse 2

Moses faced the Red Sea, his staff held in the air
with Pharaoh close behind them he had nothing but a prayer
But that was all he needed for he knew God's word was true
and the God that delivered Moses will do miracles for you

Repeat chorus

Bridge

(When we pray) pray without ceasing every day
(When we stay) stay in faith not doubting what He said
(When we wait) we'll renew our strength and soar through the air
just praise Him for the answer, He has heard your every prayer

Repeat chorus (x2)

Coda

If we pray (if we pray)
If we pray (if we pray)
He'll do miracles when we pray (when we pray)
