

Sidewalk Warriors

Verse 1

She's faithful every morning and takes her stand for life
as she waits there on the sidewalks in the cool and early light
while she prays they walk right past her on their way to make a choice
as they see the love that's in her eyes, they can hear that still small voice
she's a warrior, a sidewalk warrior

Verse 2

He walks around the block again looking at his neighborhood
praying with each step he takes that he can do some good
he knows there is a battle that can't be fought with knives and guns
so he puts on his holy armor for our daughters and our sons
he's a warrior (yes he is), a sidewalk warrior

Chorus

Some say that it's not worth it to take that kind of stand
but the battle lines are drawn now in every city in our land
when we join hands together and lift our hearts today
the gates of hell will shake when sidewalk warriors begin to pray

Verse 3

You can find them in our high schools, you can see them next to you
they're at your dinner table, they sit next to you on the pew
so at times when you feel discouraged, just take another look and then
raise your voice with other warriors and let the victory begin

Repeat chorus

Bridge

So don't give up, don't stop praying
don't give up, don't stop hoping
the day will come when your answer will come through
you've gotta fight the fight, don't stop singing
lift your eyes, keep on walking
the army of Heaven fights with you

Repeat chorus

Oh, lets begin to pray
our Father which art in heaven, hallowed by your name
thy kingdom come, thy will be done on earth as it is in heaven
give us this day our daily bread
forgive us our sins as we forgive those who have sinned against us
and lead us not into temptation but deliver us from evil
for thine is the kingdom and the power and the glory forever and ever
