

So Long To Goodbyes

© 2004 Wayne Carroll (BMI)

I dread those days...sad, lonely days
when I say goodbye to a friend
we had to part with broken hearts
oh when will this heartache ever end
oh, but there's a day ahead when the words we dread
we'll say once more, but we won't be crying this time
we'll be rejoicing then, that happy morning when
we're gonna say so long to goodbyes

Chorus:

One day (one day), we're gonna say so long to goodbyes
and the Lord (and the Lord) will dry the tears from our eyes
we'll see our loved ones (oh yes), but no more sorrow (oh no)
on heaven's side of tomorrow
cause one day (one day) we'll say so long to goodbyes

Bridge:

Now you can trust the Lord and rest upon His word
when He talks about forever and eternity
we'll be together then, and we'll be praising Him
when we say (we say) so long (so long) to goodbyes

Repeat Chorus

Coda:

No more parting...no more pain
no more sadness...no more rain
in that city...where He is the light
no more darkness and no more night
no more death...no more sorrow
on heaven's side of tomorrow
cause one day we'll say so long to goodbyes
oh, one day we'll say so long to goodbyes
