Opening (spoken)

I know we want God's spirit in the church today
I know we need revival, I know we need to pray
but first I've got a problem and I don't know what to do
'cause somebody's sittin' in my pew!

Verse 1

Somebody's sittin in my pew dear Lord, somebody's sittin in my pew
it's a beautiful day to sing hallelu, but somebody's sittin' in my pew

Verse 2

The preacher's preachin' way too long Lord, the preacher's preachin' way too long
maybe if the choir hadn't sung that last song then he would not have to go on so long

Chorus 1

What a wonderful day to worship the Lord with all God's people here in one accord
but there's just no way His spirit gets through when somebody's sittin' in my pew

Verse 3

Hey, where's my flower bouquet Lord, where's my flower bouquet
it's only been on the pulpit since two years last May, It was my great grandma's favorite shade

Verse 4

Somebody's singin' off key dear Lord, somebody's singin' off key
what do you mean, you think it's me? my voice teacher would find that hard to believe

Chorus 2

What a wonderful place God's heaven will be, we'll live together in harmony
but there just may be a heavenly feud if somebody's sittin' in my pew

Verse 5

Someone needs to hear my Word son, someone needs to hear my Word
they need the Good News sent from above, someone needs to hear my Word

Verse 6

They need to see my Son in you child, they need to see my Son in you
so that the world can see that my Word is true, they need to see My Son in You

Last Chorus

Well I finally learned my lesson on how things should be
I have to think of others and not just about me
so if you get to church long before I do
I'd be glad to have you sittin next to me on my pew
see ya Sunday!
