Tiny Voices

Verse 1
Tiny voices, hear them call
from their darkness, one and all
let me see the light of day
let me give my love away
In our noises, we can’t hear
tiny voices, oh so near
if we listen as we pray
we will hear their voice one day

Verse 2
Tiny voices in my heart
telling me to do my part
life is such a precious thing
it should be our offering
In our noises, we can’t hear
tiny voices, oh so near
if we listen as we pray
we will hear their voice one day

Verse 3
Tiny voices fill the earth
precious from their day of birth
bringing forth the gift of life
from the darkness to the light
In our noises, we can’t hear
tiny voices, oh so near
if we listen as we pray
we will hear their voice one day
