

## **Walkin' Where The Water Runs Deep**

### **Verse 1:**

I read in Matthew, in chapter fourteen  
how a young boy's small offering  
two little fish and five pieces of bread  
when Jesus touched them, all five thousand were fed  
when they had eaten, Jesus went off to pray  
but the disciples, He sent them away  
and in their boat they awoke from their sleep  
they were sailin' where the water runs deep

### **Refrain:**

When we're frightened by the storms gathered round  
and it seems that every hope is lost  
that's when Jesus calls us from the boat that we're in  
and says to walk as if the water were just solid ground  
don't be like Peter, when the wind starts to blow  
and your faith starts to sink low  
be like Jesus, our example is He  
see Him walkin' where the water runs deep

### **Verse 2:**

A man named Laz'rus in grave-clothes was bound  
his life was over, till the Master came round  
when Jesus called he arose from the dead  
to live again, just as Jesus had said  
and then He called me from a life bound by sin  
when I received Him, I started living again  
and in my heart every promise I'll keep  
now I'm walkin' where the water runs deep

### **(Repeat refrain)**

### **Coda**

When the winds blow, I'll be walkin' with Him  
His steps I'll follow, as He's walkin' with me  
in my heart now, every promise I'll keep  
see me walkin' where the water runs deep  
we're just walkin' and we're talkin'  
where the water runs deep

I'm just walkin' by my Savior's side  
in His arms now I safely abide  
I'm not afraid of the stormy deep  
when it thunders, I just fall fast asleep  
every promise I'm learning to keep  
as I'm walkin' where the water runs deep
