

## **When I Think About Heaven**

© 2005 Wayne Carroll (BMI)

### ***Verse 1***

Well lately I've had heaven on my mind  
in this world no satisfaction can I find  
you see this world feels like an anchor to me  
but one of these days I'll be set free  
so lately I've had heaven on my mind

### ***Refrain***

'Cause when I think about heaven  
I feel I'm walkin' with the saints of old  
I see my reflection in every direction in footprints paved with gold  
well one day I'll lace up my flyin' shoes  
and leave behind all these earthly blues  
and I'll remember how I thought about heaven

### ***Verse 2***

Say my friend, do you have heaven on your mind?  
'cause one day you're gonna leave this old world behind  
now don't you let this world hold you down  
when you can live with Jesus up in heaven-town  
don't you think it's time to get heaven on your mind

### ***Repeat Refrain***

### ***Bridge***

While I'm down here I'll do the best I can  
to live for God and take a stand  
but when I break those chains and leave this world to stay  
I hope to see you right beside me as we fly away

### ***Repeat refrain***

### ***Coda***

Well one day I'll lace up my flyin' shoes  
and leave behind all these earthly blues  
and I'll remember, I'll remember  
I'll remember, I'll remember  
I'll remember how I thought about heaven
