

Praise Him All The Time

© 2008 Wayne Carroll (BMI) & Simeon Amburgey (BMI)

Chorus

Gonna praise Him in the mornin' new
gonna praise Him when the sky is blue
gonna praise Him in the evenin' too, gonna praise Him all the time
gonna praise Him when I'm feelin' low
gonna praise Him when I'm movin' slow
gonna praise Him till the devil goes, gonna praise Him all the time

Verse 1

Now if you need a pick-me-up I'll tell you what to do
start praisin' God for everything and joy will come to you
so if you've had too much to bear, I've got some good news to share
just lay those burdens down with praise and praise Him everywhere

Chorus

Gonna praise Him in the mornin' new
gonna praise Him when the sky is blue
gonna praise Him in the evenin' too, gonna praise Him all the time
gonna praise Him when I'm feelin' low
gonna praise Him when I'm movin' slow
gonna praise Him till the devil goes, gonna praise Him all the time

Verse 2

All the problems in this troubled world cannot be solved by man
there's just one cure that I have found, it's living just as God planned
for if we praise Him all day long His presence will abide
your feet might be on this side of heaven, but you'll be walkin' on the other side

Repeat chorus

Bridge

(Praise Him) when the well is dry, (praise Him) when the water's high
(praise Him) till ol' Satan cries, praise Him all the time
(Praise Him) if you're feelin' bad, (praise Him) if you're feelin' sad
(praise Him) till you're feelin' glad, praise Him all the time

Repeat chorus

Coda

Come and praise the Lord with all your might
praise Him through the day and night
praise Him and find peace divine, just praise Him all the time
come and praise the Lord with all your might
praise Him through the day and night
praise Him and find peace divine, just praise Him all the time
gonna praise Him all the time
gonna praise Him all the time
gonna praise Him all the time
