When Jesus Came To Set Me Free

Verse 1
As I headed out to church last Sunday, thought it'd be like all the rest
just try and keep myself awake, you'd never guess what happened next
the preacher talkin' about salvation and Jesus settin' sinners free
then I heard a big commotion like an old camp meeting
look - someone got the victory

Refrain
Well, there was shoutin' (glory hallelujah, praise His name)
and talk aboutin' (what a wonderful Lord is He)
when Jesus came to set me free
Well, cause it took me (took me all the way down to my knees)
and it shook me (loosed my chains, gave me victory)
when Jesus came to set me free

Verse 2
Well the church has changed since Sunday, it's hard to find a pew
no one's sleepin', just anticipatin' to see just what the Lord will do
(what the Lord will do)
Well lives are changin', rearrangin' when they see His holy power
your life can truly be much sweeter, just stop by and ask that preacher
let His Spirit set your soul on fire

repeat refrain

Coda
Well He shook me up til I couldn't stand
the deacons took me by the hand
they laid me down on the very first pew
they didn't really know quite what to do
I calmed back down in about an hour
but I was full of the Holy Ghost power
I'm not the same, and I never will be
when Jesus came to set me free

repeat refrain (twice)

Don't you know, when Jesus came to set me free
shoutin' glory hallelujah
the Spirit broke the chains
and Jesus set me free
